Home Care Assistance of Sacramento Reaches Impressive Milestone

Home Care Assistance of Sacramento is now providing 1,000 hours per week of high-quality, in-home care to its clients

(Sacramento, CA – Jan 8, 2014) [Home Care Assistance of Sacramento](#), a premier provider of in-home care for seniors, is proud to announce the company is now providing over 1,000 hours of high-quality care per week to its clients. Since Home Care Assistance opened its doors in June 2013, the company has been committed to delivering the highest standard of client care in Sacramento, with exceptional in-home care services provided by the company's rigorously screened and professionally trained care partners. Care partners are trained in innovative programs such as the proprietary Balanced Care Method™, a holistic approach to care that promotes physical well-being, mental awareness and inner calm.

"I am very proud of our team for their hard work and dedication," says Kathy Herrfeldt, owner of Home Care Assistance of Sacramento. "We continuously strive to provide our clients with the best possible experience and service so that they can age in place comfortably and their families have peace of mind knowing their loved ones are safe."

Home Care Assistance of Sacramento currently has 40 high caliber, skilled care partners. The company accepts approximately one out of every 25 caregiver applicants, looking only for the most qualified, compassionate individuals. Home Care Assistance trains all of its' care partners to engage clients in physical, mental and social activities, in addition to assisting with meal preparation, personal hygiene, bathing, medication reminders, transportation and more. On top of that, Kathy is passionate about keeping up-to-date with the latest innovations in home care and technology to ensure her clients are always as safe and as independent as possible. Kathy's care partners take detailed notes during their shifts so that information about the care and condition of the client can be easily shared with the family to help them make informed decisions for their loved one.

Home Care Assistance provides hourly and live-in services to seniors, allowing them to remain safely and comfortably in their homes as they age. Care plans are tailored to clients' individual needs and preferences. Clients are also expertly matched with thoroughly trained, screened and experienced care partners. Background checks, reference checks and work authorization are all completed along with a proprietary Caregiver Personality Screening test. The screening test is used to verify applicants' suitability for the caregiving career by assessing traits such as honesty, kindness and conscientiousness.

Home Care Assistance staff is available 24/7 to provide experienced, trustworthy caregivers to help with all home care needs.
