*Home Care Assistance, the premier provider of in-home care for seniors, is proud to be recognized as some of the top home care agencies in the country based on employee satisfaction*

**(Palo Alto, CA—February 6, 2015)** [Home Care Assistance](#), a leading provider of in-home care for seniors, is honored to be recognized as a 2015 Best of Home Care Employer of Choice. This prestigious award is given to home care providers who rank in the top 50th percentile in one or more employee satisfaction categories based on monthly satisfaction interviews conducted by Home Care Pulse.

“The Best of Home Care Awards recognize the leading home care businesses, the best of the best!” said Home Care Pulse Founder and CEO Aaron Marcum. “We are excited to announce these award-winners and celebrate their dedication to providing quality in-home care.”

Home Care Pulse created the Employer of Choice award to identify those agencies in the in-home care space that demonstrate a passion for client and employee satisfaction, and thereby help families make better care decisions for their aging loved ones. Companies are evaluated based on agency training, communication, overall quality of care, caregiver performance, caregiver morale, response to problems and recommendation of services.
