24 Home Care Assistance Offices Receive 2015 Best of Home Care® Provider of Choice Award

Home Care Assistance offices are recognized as some of the top home care agencies in the country based on client satisfaction

(Palo Alto, CA – February 9, 2015) [Home Care Assistance](#), North America's premier provider of in-home care for seniors, is proud to have 24 offices recognized as 2015 Best of Home Care Providers of Choice®. This prestigious award is given to home care providers who rank in the top 50th percentile in one or more client satisfaction categories, based on monthly satisfaction interviews conducted by Home Care Pulse.

"We are very pleased to be recognized as a quality leader in home care," said Lily Sarafan, President of Home Care Assistance. "Our goal is to provide each client with the ultimate home care experience. In fact, it's common for clients to come to Home Care Assistance after not being satisfied with the care they received from another home care agency."

Home Care Pulse created these awards to identify those agencies in the in-home care space that demonstrate a passion for client satisfaction and thereby help families make better care decisions for their aging loved ones.
