## **Home Care Assistance of Centennial Receives 2015 Best of Home Care® Provider and Employer of Choice Awards**

(Centennial, CO—February 4, 2015) [Home Care Assistance of Centennial](#) today announced that it received both the Best of Home Care Provider of Choice and Employer of Choice Awards from Home Care Pulse. Awarded to only the top ranking home care providers based on client and caregiver satisfaction scores gathered by Home Care Pulse, Home Care Assistance of Centennial is now ranked among a small handful of home care providers across the country who have proven their ability to provide an exceptional working experience to their employees and the highest quality care to their clients.

“We want to congratulate Home Care Assistance of Centennial on receiving both the Best of Home Care Provider of Choice Award and the Best of Home Care Employer of Choice Award,” says Aaron Marcum, CEO and founder of Home Care Pulse. “Since these awards are based on real, unfiltered feedback from clients and caregivers, Home Care Assistance of Centennial has proven their dedication to providing a great work environment and solid training to employees, while maintaining their focus on client satisfaction. We are pleased to recognize their dedication to quality, professionalism and expertise in home care.”

Best of Home Care award-winning providers have contracted with Home Care Pulse to gather feedback from their clients and caregivers via live phone interviews each month. Because Home Care Pulse is an independent third-party company, they are able to collect honest and unbiased feedback. These award-winning providers have received the highest satisfaction scores in areas such as professionalism, compassion of caregivers, training, and client/caregiver compatibility.

“We are so excited to be recognized with these awards for the second consecutive year. It is truly a testament to the quality of our staff and their dedication to providing excellent care for our clients,” said Amy Lane, Owner of Home Care Assistance of Centennial. “The feedback that Home Care Pulse gathers from our clients and employees is invaluable, as it helps us identify the things that we do really well and those things that may need some improvement.”

At Home Care Assistance, care plans are tailored to clients’ individual needs and preferences. Clients are also expertly matched with thoroughly trained, screened and conscientious caregivers. With a mission to change the way the world ages, Home Care Assistance helps seniors live well at home through innovative offerings such as their proprietary Balanced Care Method™, which emphasizes scientifically studied lifestyle behaviors of the longest living people on Earth, and the Cognitive Therapeutics Method™, an activities-based program designed to delay the onset and progression of cognitive decline.
