Home Care Assistance Honors Sally Harris as a Living Legend

Home Care Assistance features Sally Harris as a winner of its Honor Your Living Legend campaign, an initiative designed to recognize the lifetime achievements of inspirational seniors around the world

(Palo Alto, CA – May 19, 2015) – [Home Care Assistance](#), North America’s premier provider of in-home care for seniors, has named Sally Harris a Living Legend through the Honor Your Living Legend campaign. Honor Your Living Legend provides a platform for family members and friends to recognize the lifetime accomplishments of their senior loved ones. By submitting stories and photographs, which are shared publicly on [HonorYourLivingLegend.com](#) and through social media, individuals can show their appreciation for the older generation and their contributions to the community. Living Legends can be high profile people that are well-known to the public or individuals who have influenced others’ lives in less high-profile ways such as a mother who taught her children to read or a successful entrepreneur whose true passion was volunteering and giving back to his community. This month, Home Care Assistance recognized Sally Harris, a mother and cancer survivor, for her inspirational story.

“The Honor Your Living Legend Campaign recognizes individuals who have touched others through their strength, service and wisdom,” said Kathy Johnson, Founder and CEO of Home Care Assistance. “We are pleased to honor Sally Harris, a dedicated mother and breast cancer survivor, as a Living Legend.”

Sally Harris was nominated by her daughter Wendy. A mother of two, Sally instilled values of a hard work ethic, dedication and education in her two daughters. She understood the importance of a healthy lifestyle and was an accomplished marathon-runner, but despite her focus on health, she was diagnosed with breast cancer. As she fought and eventually won the battle against breast cancer, her family grew closer alongside her, inspired by her determination and positivity. We are honored to recognize Sally for the obstacles she has overcome and the positive impact she has had on her family and community.

Honor a loved one today by sharing their story and photograph at [www.HonorYourLivingLegend.com](#). For more information about Home Care Assistance, please visit [www.HomeCareAssistance.com](#) or call 1-866-484-8346.
