## **Home Care Assistance of Naples, FL Welcomes New Client Care Coordinator**

*Stephanie Saco will play an integral role in client care for Home Care Assistance with the mission of "Changing the Way the World Ages"*

**(Naples, FL - July 8, 2015)** [Home Care Assistance of Naples](#), a leading provider of in-home care for seniors, is proud to welcome Stephanie Saco as the office's Client Care Coordinator. With a background in healthcare for over ten years, Stephanie's passion for helping seniors maintain their independence and live well at home is very much in line with the company's innovative programs designed to enhance the quality of life for its their clients; the Balanced Care Method™, Hospital to Home Care and the Cognitive Therapeutics Method™ all promote healthy longevity centered on a holistic approach to care. Stephanie will play an integral role in the hiring and training of caregivers as well as oversee the personalization and execution of care plans for each and every client.

"As the Client Care Coordinator at Home Care Assistance I enjoy my interactions with our clients, making certain they are getting the very best care possible", said Stephanie. "It's the relationships we build with our clients, their families and the community that makes my job so rewarding. It is my honor to be with a company that truly treats their clients as if they were their own family. I feel blessed to be able to combine my life's passion and my career, especially when I am surrounded by people of like mind."

Nationally recognized as a premier provider of live-in, around-the-clock care for seniors, Home Care Assistance of Naples prides itself on taking a preventive approach to health and wellness. The company's proprietary Balanced Care Method, based on rigorously studied lifestyle factors that contribute to healthy longevity, is a core part of its caregiver training model and care program. As individuals age, chronic health conditions frequently set in and outside assistance is often needed, especially when the adult children don't live nearby. Our caregivers are professionally trained and provide compassionate companionship to our clients to ensure they remain safely and independently in their homes.

Home Care Assistance does not require a long-term contract for its services and is dedicated to accommodating clients' needs and creating tailored, personalized care plans for each individual. Home Care Assistance caregiver employees are bonded, insured, covered by Workers' Compensation and screened for criminal backgrounds and driving histories to ensure that clients' receive the best care from the most qualified caregivers.
