Home Care Assistance Opens New Office in Wheat Ridge, CO

Senior care trailblazer, Home Care Assistance, meets growing demand for in-home care services in Denver, Cherry Creek, Bonnie Brae, Wheat Ridge and surrounding communities

(Denver, CO – July 3, 2015) - [Home Care Assistance Denver](#), the premier provider of non-medical, in-home senior care, is thrilled to serve the Denver community with its newest office. Located at 4990 Kipling Street, B11, in Wheat Ridge, Colorado, the office is the 106th Home Care Assistance location in North America.

“We are excited to share what makes Home Care Assistance unique in the home care industry and I am confident this new location will be a great resource for the residents of Denver, Cherry Creek, Bonnie Brae, Wheat Ridge and surrounding areas. We are now accepting clients in the Northern Colorado market as we expand operations to Loveland, Ft. Collins and surrounding communities with an office opening in the North later this year,” said Todd Ediger, Owner of Home Care Assistance Denver. “Our mission is to change the way the world ages through innovative offerings such as our proprietary Balanced Care Method™, which is based on the scientifically studied lifestyles of the longest living people on Earth, and our Cognitive Therapeutics Method™, an activities-based program designed to delay the onset of cognitive decline.”

Home Care Assistance Denver accepts approximately one out of every 25 caregiver applicants. Background checks, reference checks and work authorization are all completed along with a proprietary Caregiver Personality Screening test. The screening test is used to verify applicants' suitability for the caregiving career by assessing traits such as honesty, kindness and conscientiousness. We approach each client as if he or she were our own parent and spend time matching the client with the best-qualified caregiver for his or her needs and personality.

Though 89% of seniors say they would prefer to keep living at home rather than move to a facility, thousands continue to enter nursing homes every year. With the support of a professionally trained caregiver, older adults can age safely and comfortably in their own homes. Services Home Care Assistance provides include:

- Hourly and live-in care
- Cooking and light housekeeping
- Laundry and change of bed linens

- Grocery shopping and errands
- Companionship and range of motion exercise
- Bathing, dressing and grooming assistance
- Transportation to doctors' appointments, supermarket, pharmacy
- Assistance with walking and transferring
- Status reporting to family
- Medication reminders
- Cognitive exercises to boost brain health

To schedule a free in-home assessment, or for more information about Home Care Assistance Denver, please visit HomeCareAssistanceDenver.com or call [\(720\) 443-3371](tel:(720)443-3371) to speak with a home care expert.

ABOUT HOME CARE ASSISTANCE
