Home Care Assistance Opens New Office in Palm Desert, California

Senior care trailblazer, Home Care Assistance, meets growing demand for in-home care services in Palm Desert, Palm Springs and the California Desert Cities

(Palm Desert, CA – July 14, 2015) - [Home Care Assistance of Palm Desert](#), the premier provider of non-medical, in-home senior care, is thrilled to serve the Desert community with its newest office. Located at 39620 Washington Street, Suite D, in Palm Desert, California, the location is the 106th Home Care Assistance office in North America.

“I am excited to share what makes Home Care Assistance unique in the home care industry and I am confident this new location will be a great resource for the residents of Palm Desert, Palm Springs, Rancho Mirage, Indian Wells, La Quinta, Cathedral City, Indio and surrounding areas,” said Nikhil Mehta, Owner of Home Care Assistance of Palm Desert. “Our mission is to change the way the world ages through innovative offerings such as our proprietary Balanced Care Method™, which is based on the scientifically studied lifestyles of the longest living people on Earth, and our Cognitive Therapeutics Method™, an activities-based program designed to delay the onset of cognitive decline.”

Home Care Assistance of Palm Desert Client Care Manager, Janetta Rhoades, accepts approximately one out of every 25 caregiver applicants. Background checks, reference checks and work authorization are all completed along with a proprietary Caregiver Personality Screening test. The screening test is used to verify applicants’ suitability for the caregiving career by assessing traits such as honesty, kindness and conscientiousness. Janetta approaches each client as if he or she were her own parent and spends time matching the client with the best-qualified caregiver for his or her needs and personality.

89% of seniors say they would prefer to keep living at home rather than move to a facility, yet thousands continue to enter nursing homes every year. With the support of a professionally trained and compassionate caregiver, older adults can age safely and comfortably in their own homes. Services Home Care Assistance provides include:

- Hourly and live-in care
- Cooking and light housekeeping
- Laundry and change of bed linens
- Grocery shopping and errands

- Companionship and range of motion exercise
- Bathing, dressing and grooming assistance
- Transportation to doctors' appointments, supermarket, pharmacy
- Assistance with walking and transferring
- Status reporting to family
- Medication reminders
- Cognitive exercises to boost brain health
