Home Care Assistance Celebrates Opening of Denver Office with Ribbon Cutting Ceremony

Senior care leader, Home Care Assistance, will be hosting a Grand Opening Event with Wheat Ridge Mayor Joyce Jay on Thursday, August 20th from 4pm to 7pm

(Denver, CO – August 17, 2015) [Home Care Assistance Denver](#), a leading provider of in-home care for seniors, is pleased to announce the grand opening of its new office in Wheat Ridge, Colorado. The Grand Opening Event will be held on Thursday, August 20th from 4pm to 7pm. Wheat Ridge mayor Joyce Jay will be conducting a ribbon cutting ceremony at 5:30pm and light refreshments and food will be served to attendees.

“I am excited to share what makes Home Care Assistance unique in the home care industry and I am confident this new location will be a great resource for members of the Denver community,” said Todd Ediger, Owner of Home Care Assistance Denver. “At the Grand Opening Event we will be discussing some of our differentiators such as our proprietary approach to aging and care, the Balanced Care Method™, our activities-based intervention program designed to delay cognitive decline, the Cognitive Therapeutics Program, and our proprietary online HCA University that we use to train caregivers.”

Based on the scientific studies of the world’s healthiest seniors, the Balanced Care Method™ promotes five key lifestyle behaviors correlated with healthy longevity: healthy diet, physical exercise, active social ties, mental stimulation and a sense of purpose and calm. Caregivers are professionally trained to incorporate the Method into daily care to encourage healthy mind, body and spirit. For example, caregivers have access to healthy meal preparation training through the company’s online Home Care Assistance University.

Home Care Assistance Denver accepts approximately one out of every 25 caregiver applicants. Background checks, reference checks and work authorization are all completed along with a proprietary Caregiver Personality Screening. The screening is used to verify applicants’ suitability for a caregiving career by assessing traits such as honesty, kindness and conscientiousness. Sam approaches each client as if he or she were her own parent and spends time matching the client with the best skilled caregiver for his or her needs and personality.

Home Care Assistance provides hourly and live-in services, allowing seniors to remain safely in their homes. Having an experienced and professional caregiver in the home of the client also provides family members

respite and peace of mind. Caregivers utilize a holistic approach to aging, encouraging independence and engaging clients in physical, mental and social activities, in addition to assisting with meal preparation, personal hygiene, bathing, medication reminders, transportation and more.

Home Care Assistance staff is available 24/7 to provide experienced, trustworthy caregivers to help with all home care needs for seniors: transportation, healthy meal preparation, companionship, socialization, activities, personal care, medication reminders and dementia care services.

Home Care Assistance Denver serves Denver, Wheat Ridge, Cherry Creek, Bonnie Brae and beyond! Call 720-443-3371 or visit www.HomeCareAssistanceDenver.com to learn more about the company's superior in-home care services.
