“I am excited to share the unique and innovative programs offered by Home Care Assistance as a resource for the communities in Colorado Springs, El Paso County and the surrounding area,” said Mark Silvanic, Owner of Home Care Assistance Colorado Springs and El Paso County. “At Home Care Assistance, our mission is to change the way the world ages through distinct offerings such as our proprietary Balanced Care Method™ based on the scientifically studied lifestyles of the longest living people on Earth and our Cognitive Therapeutics Method™, an activities-based program designed to delay the onset of cognitive decline.”

Home Care Assistance hires only the most qualified and compassionate individuals as caregivers to serve the evolving needs of the company’s clientele; Home Care Assistance accepts only one out of every 25 caregiver applicants on average. Applicants undergo thorough screening including background checks, reference checks and work authorization. A proprietary Caregiver Personality Screening test assesses each applicant’s traits, such as kindness, honesty and conscientiousness.

Dorothy Silvanic, Owner and Client Care Manager at Home Care Assistance Colorado Springs and El Paso County, upholds these standards in the highly-selective hiring process. Along with her compassion and professional expertise, Dorothy matches clients with the caregiver best-qualified for his or her unique needs and preferences and treats every client as though he or she were a part of her own family.

Nine out of ten seniors prefer to age in the comfort of their own home, yet thousands of seniors still move to facilities every year. A professionally trained and compassionate caregiver can provide the support to help each senior age safely and independently for as long as possible where they prefer: home. Home Care Assistance caregivers provide the following services to help seniors live well at home: hourly and live-in

care, meal preparation, transportation, walking/transferring assistance, medication reminders, companionship and more.
