Home Care Assistance of Greater Phoenix Receives 2015 Best of Home Care® Employer of Choice Award

In their first assessment by Best of Home Care®, Home Care Assistance of Greater Phoenix is recognized as one of the top home care agencies in the country based on employee satisfaction

(Phoenix, AZ – December 2, 2015) [Home Care Assistance of Greater Phoenix](#), a leading provider of in-home care for seniors, is honored to be recognized as a 2015 Best of Home Care® Employer of Choice. This prestigious award is given to home care providers who rank in the top 50th percentile in one or more employee satisfaction categories, based on monthly satisfaction interviews conducted by Home Care Pulse.

“The Best of Home Care Awards recognize the leading home care businesses, the best of the best!” says Home Care Pulse Founder and CEO Aaron Marcum. “We are excited to announce these award-winners and celebrate their dedication to providing quality in-home care.”

Home Care Pulse created these awards to identify those agencies in the in-home care space that demonstrate a passion for client and employee satisfaction and thereby help families make better care decisions for their aging loved ones. Companies are evaluated based on agency training, communication, overall quality of care, caregiver performance, caregiver morale, response to problems and recommendation of services.

“We are very pleased to be recognized as a quality leader in home care,” said Jeff Hill, Owner of Home Care Assistance of Greater Phoenix. “We are in a business where we care for people – clients and caregivers – and recognize that our employees are our most valuable asset. It’s satisfying to know that our efforts in making Home Care Assistance a great place to work do not go unnoticed by our staff.”

At Home Care Assistance, care plans are tailored to clients’ individual needs and preferences. Clients are also expertly matched with thoroughly trained, screened and conscientious caregivers. With a mission to change the way the world ages, Home Care Assistance helps seniors live well at home through innovative offerings such as their proprietary [Balanced Care Method™](#), which emphasizes scientifically studied lifestyle behaviors of the longest living people on Earth, and the [Cognitive Therapeutics Method™](#), an activities-based program designed to delay the onset and progression of cognitive decline.
