Home Care Assistance of Cleveland Welcomes Christina Kosier as Client Care Manager

Chris will play an integral role in client care for the rapidly growing senior care company, Home Care Assistance

(Solon, OH – December 7, 2015) [Home Care Assistance of Cleveland](#), a leading provider of in-home care for seniors, welcomes Christina Kosier as Client Care Manager. Chris will play an integral role in the retention and acquisition of clients as well as oversee the personalization and execution of care plans for them. Chris joins the team with extensive experience in the home care industry from Los Angeles, California. It was there that Chris developed her passion for helping seniors maintain their independence and live well at home, an ideology aligned with the company's proprietary [Balanced Care Method™](#), a holistic approach to care and overall quality of life.

"There is a growing need for in-home care among aging adults in the greater Cleveland area," said Chris Kosier, Client Care Manager of Home Care Assistance. "As individuals age, chronic health conditions frequently set in and outside assistance is needed, especially when adult children don't live nearby. Our caregivers are professionally trained and provide compassionate companionship to our clients to ensure they remain safely and independently in their homes."

Based on the scientific studies of the world's healthiest seniors, the [Balanced Care Method](#) promotes five key lifestyle behaviors correlated with healthy longevity: healthy diet, physical exercise, active social ties, mental stimulation and a sense of purpose and calm. Caregivers are professionally trained to incorporate the Method into daily care to encourage healthy mind, body and spirit.

"We are thrilled to have Chris join our team," said Scott Michaels, Owner of Home Care Assistance. "Her extensive background, experience, and commitment to exceptional care will be a valuable asset to our clients and our company."

As the leading provider of live-in care, Home Care Assistance staff is available 24/7 to provide experienced, trustworthy caregivers to help with all home care needs for seniors including transportation, healthy meal preparation, companionship, socialization, activities, personal care, medication reminders and dementia care services. Home Care Assistance caregivers are bonded, insured, covered by Workers' Compensation and screened for criminal backgrounds and driving histories to ensure that clients receive the best care from the most qualified, trustworthy caregivers. Professional, compassionate caregivers encourage independence and engage clients in physical, mental and social activities, providing safety and comfort to seniors and respite and peace of mind to their family members.
