## **HOME CARE ASSISTANCE OF ST. LOUIS RECEIVES 2016 BEST OF HOME CARE® PROVIDER OF CHOICE AND EMPLOYER OF CHOICE AWARDS**

*For the fourth consecutive year, Home Care Assistance of St. Louis is proud to be recognized as one of the top home care agencies in the country based on client and employee satisfaction*

**(ST. LOUIS, MO – January 28, 2016)** [Home Care Assistance of St. Louis](#), a leading provider of in-home care for seniors, is honored to receive both the 2016 Best of Home Care Provider of Choice and Employer of Choice Awards from Home Care Pulse. These prestigious awards are given to home care providers who rank among the top providers nationally in one of more client and employee satisfaction categories, based on monthly satisfaction interviews conducted by Home Care Pulse.

Home Care Assistance of St. Louis is one of only four companies in Missouri to be recognized in both of these categories. Home Care Pulse created these awards to identify those agencies in the home care space that demonstrate a passion for client and employee satisfaction, thereby helping families make better care decisions for their aging loved ones.

“We want to congratulate Home Care Assistance of St. Louis on receiving both the Best of Home Care Provider of Choice Award and the Best of Home Care Employer of Choice Award,” says Aaron Marcum, CEO and founder of Home Care Pulse. “Since these awards are based on real, unfiltered feedback from clients and caregivers, Home Care Assistance of St. Louis has proven their dedication to providing a great work environment and solid training to employees, while maintaining their focus on client satisfaction. We are pleased to recognize their dedication to quality, professionalism, and expertise in home care.”

Companies are evaluated on the caliber of their services, including agency training, communication, overall quality of care, caregiver performance, caregiver morale, response to problems and recommendation of services.

“We are honored to be recognized as a quality leader in home care,” said Jeff Schweikert, owner of Home Care Assistance of St. Louis. “Our goal is to provide each client with the ultimate home care experience. We recognize that we are in an industry where we care for all people – from clients and caregivers to our employees, who we appreciate as our most valuable asset. It’s satisfying to know that our efforts in making Home Care Assistance a great place to work do not go unnoticed by our clients and staff.”
