Home Care Assistance of Pasadena Hires Marina Voloshin as Client Care Manager

Voloshin will play an integral role in the rapidly growing senior population in Pasadena and surrounding communities

(Pasadena, CA – January 25, 2016) [Home Care Assistance of Pasadena](#), a leading provider of in-home care for seniors, is proud to welcome Marina Voloshin as Client Care Manager. Marina brings 5 years of professional experience in senior care and a Master's in Social Work. Prior to her role at Home Care Assistance, Marina worked for a non-profit organization serving low-income seniors. She has extensive experience in hospice care after working as a social worker for hospice care agencies. Marina has facilitated numerous evidence-based workshops for seniors with chronic diseases, and her passion and commitment to serving seniors is evident in her community outreach efforts.

"We are thrilled to have Marina join our team," said Ashley Mirone, VP of Business Development. "Her extensive professional background, experience and commitment to exceptional care will be an invaluable asset to our clients and our company."

Based on the scientific studies of the world's healthiest seniors, the [Balanced Care Method™](#) promotes five key lifestyle behaviors correlated with healthy longevity: healthy diet, physical exercise, active social ties, mental stimulation and a sense of purpose and calm. Caregivers are professionally trained to incorporate the Method into daily care to encourage healthy mind, body and spirit. In addition, the [Cognitive Therapeutics Method™](#) is a research-based program designed to promote long-term brain health and prevent cognitive decline by stimulating the five main cognitive domains with fun and engaging activities.

As the leading provider of daily care, Home Care Assistance staff is available 24/7 to provide experienced, trustworthy caregivers to help with all home care needs for seniors including transportation, healthy meal preparation, companionship, socialization, activities, personal care, medication reminders and dementia care services. Home Care Assistance caregivers are bonded, insured, covered by Workers' Compensation and screened for criminal backgrounds and driving histories to ensure that clients receive the best care from the most qualified, trustworthy caregivers. Professional, compassionate caregivers encourage independence and engage clients in physical, mental and social activities, providing safety and comfort to seniors and respite and peace of mind to their family members.
