## **Home Care Assistance Announces Partnership with Iona Senior Services**

*As the premier provider of in-home care for seniors in the Washington DC area, Home Care Assistance is proud to support Iona Senior Services*

**(Washington, D.C. – April 20, 2016)** [Home Care Assistance of Washington D.C.](#), a leading provider of in-home care, is excited to announce a philanthropic partnership with Iona Senior Services, greater Washington’s most comprehensive nonprofit provider of community-based programs and services to help people age well and live well. Home Care Assistance has been and continues to be a proud supporter of Iona, sharing a commitment to excellence in providing services to older adults and family caregivers in the greater D.C. community.

[Iona](#) was founded in 1975 with a mission to support people as they experience the challenges and opportunities of aging, very much in line with Home Care Assistance’s mission to change the way the world ages. Both organizations also share a commitment to educating the community on healthy and successful aging.

“We are thrilled to partner with Iona,” said Dawn Seek, Director of Operations in the D.C. Metro Area. “Their commitment to helping seniors age safely and well is very much in line with our commitment to help seniors successfully age in place by providing them high-quality in-home care.”

For over a decade, Home Care Assistance has served the Washington D.C. area with exceptional caregivers who provide one-on-one support that allows seniors to live safely and independently at home. Home Care Assistance is the leading provider of live-in and hourly care, and staff are available 24/7 to provide experienced, trustworthy caregivers to help with all home care needs for seniors including transportation, healthy meal preparation, companionship, socialization, activities, personal care, medication reminders and dementia care services.
