Home Care Assistance of Palm Desert Receives 2016 Best of Home Care® Provider and Employer of Choice Awards

(Palm Desert, CA – August 17, 2016) [Home Care Assistance of Palm Desert](#) today announced that it has received both the Best of Home Care Provider of Choice and Employer of Choice Awards from Home Care Pulse. These awards are granted only to the top ranking home care providers, based on client and caregiver satisfaction scores gathered by Home Care Pulse. Home Care Assistance of Palm Desert is now ranked among a small handful of home care providers across the country who have proven their ability to provide an exceptional working experience to employees and the highest quality care to clients.

“We want to congratulate Home Care Assistance of Palm Desert on receiving both the Best of Home Care Provider of Choice Award and the Best of Home Care Employer of Choice Award,” says Aaron Marcum, CEO and founder of Home Care Pulse. “Since these awards are based on real, unfiltered feedback from clients and caregivers, Home Care Assistance of Palm Desert has proven their dedication to providing a great work environment and solid training to employees, while maintaining their focus on client satisfaction. We are pleased to recognize their dedication to quality, professionalism, and expertise in home care.”

Best of Home Care providers have contracted with Home Care Pulse to gather feedback from their clients and caregivers via live phone interviews each month. Because Home Care Pulse is an independent third-party company, it is able to collect honest and unbiased feedback. These award-winning providers have received the highest satisfaction scores in areas such as professionalism, compassion of caregivers, training, and client/caregiver compatibility.

“When we opened for business a little over one year ago, my goal was to raise the bar for non-medical home care in the Coachella Valley and also to become the caregiver’s employer of choice. It is gratifying that in such a short time our efforts in both our goals have been recognized,” says Nikhil Mehta, Owner and CEO of Home Care Assistance of Palm Desert. “We believe that we can change the way the world ages through our unique philosophy and innovative programs such as our Cognitive Therapeutics Method™” continued Mr. Mehta. “Above all, we strongly believe that our clients will not be completely satisfied unless our caregivers and employees are satisfied and happy”.

“Our goal at Home Care Pulse is to empower home care businesses to deliver the best home care possible,” says Aaron Marcum, CEO and founder of Home Care Pulse. “We are happy to recognize Home Care Assistance of Palm Desert as a Best of Home Care award-winning provider and celebrate their accomplishments in building a team of happy, qualified caregivers who provide outstanding care for their clients.”
