## **Home Care Assistance of Cleveland Honors Marilyn Matia, Recipient of Growing Bolder's International Inspiration Award**

(Solon, OH – January 20, 2017) [Home Care Assistance](#), the leading provider of non-medical home care, is proud to announce that their client, Marilyn Matia, was awarded the [International Growing Bolder Inspiration Award](#) at the Growing Bolder Awards in Central Florida. Nominated by Home Care Assistance owner, Scott Michaels, for leading a vibrant life full purpose, Marilyn outshined the many impressive nominees, landing her this recognition.

"Marilyn is the role model for staying active, staying involved, and demonstrating a passion for life," said Scott Michaels.

At 88-years-old, Marilyn is a lifelong political activist and a speaker at schools and civic groups where she encourages participation in the political process. Marilyn served on the Solon Charter Review Commission for several years in her hometown of Solon, Ohio and is active in the local Republican party. She campaigns regularly for republican candidates at the local, state and national level and has been active in every presidential campaign beginning in 1960, including all those since 2000.

Marilyn has been a Cleveland resident since 1952 and has been contributing to the community for most of that time. She is an avid supporter of intercity programs. Marilyn was the Chairman of the 'Friends of B.R.I.C.K.', a program for troubled youth. The acronym stood for Brotherhood, Responsibility, Intelligence, Conduct and Knowledge. In the most recent presidential campaign she volunteered her time and services for inner city Cleveland residents. Marilyn also hosts gatherings in her home to discuss current events and is an accomplished competitive bridge player.

Marilyn's experience using home care services began in 1989 when her mother needed care and sought it once again when her husband fell ill. Now she uses [Home Care Assistance](#) to help her with activities of daily living and to support her active, involved lifestyle. We celebrate Marilyn's passion for life and we are pleased that we can be part of her life that inspires others to grow bolder.
