Home Care Assistance – Fox Cities Receives 2017 Best of Home Care® Provider and Employer of Choice Awards

(Oshkosh, WI – February 27, 2017) [Home Care Assistance – Fox Cities](#), a leading provider in home care for seniors, today announced that it has received both the **Best of Home – Care Provider of Choice** and **Employer of Choice** Awards from Home Care Pulse. These awards are granted only to the top-ranking home care providers, based on client and caregiver satisfaction scores gathered by Home Care Pulse. Home Care Assistance – Fox Cities is now ranked among a small handful of home care providers across the country who have proven their ability to provide an exceptional working experience to employees and the highest quality care to clients.

“We want to congratulate Home Care Assistance – Fox Cities on receiving both the **Best of Home Care - Provider of Choice** Award and the **Best of Home Care - Employer of Choice** Award,” says Aaron Marcum, CEO and founder of Home Care Pulse. “Since these awards are based on real, unfiltered feedback from clients and caregivers, Home Care Assistance – Fox Cities has proven their dedication to providing a great work environment and solid training to employees, while maintaining their focus on client satisfaction. We are pleased to recognize their dedication to quality, professionalism, and expertise in home care.”

Best of Home Care providers have contracted with Home Care Pulse to gather feedback from their clients and caregivers via live phone interviews each month. Because Home Care Pulse is an independent third-party company, it is able to collect honest and unbiased feedback. These award-winning providers have received the highest satisfaction scores in areas such as professionalism, compassion of caregivers, training, and client/caregiver compatibility.

“We are honored to have earned the **Best of Home Care – Provider of Choice** and **Employer of Choice** Awards for 2017. We feel that the difference between good care and great care is a caregiver that cares. That’s why we use personality assessment tools to identify and hire caregivers who demonstrate a high degree of compassion and empathy. Our hiring process screens out a lot of applicants and makes hiring more difficult but the reward is in knowing that the caregivers that we send into our client’s homes are of the same caliber that we would send into our parent’s homes.” says Julie Davids, Owner, Home Care Assistance – Fox Cities.

“Our goal at Home Care Pulse is to empower home care businesses to deliver the best home care possible,” says Aaron Marcum, CEO and founder of Home Care Pulse. “We are happy to recognize Home Care Assistance – Fox Cities as a **Best of Home Care** award-winning provider and celebrate their accomplishments in building a team of happy, qualified caregivers who provide outstanding care for their clients.”
