Home Care Assistance of Dayton Welcomes New Employee Care Coordinator

Amber will play an integral role in employee care for the rapidly growing senior care company, Home Care Assistance

(Dayton, OH – February 7, 2017) – [Home Care Assistance of Dayton](#), a leading provider of in-home care for seniors, welcomes Amber Morrow as the office's Employee Care Coordinator. Amber will play an integral role in the development of the company's professional caregivers and will oversee the personalization and execution of the matching and scheduling of caregivers for each client. Amber, who is a Certified Clinical Medical Assistant, comes to us with strong management and customer service experience in both a medical and non-medical setting. As an Office Coordinator with Kettering Health Network, Amber managed the day-to-day operations of the office, including the scheduling of clinic staff, management of physician schedules, creating and interpreting financial and efficiency reports, and ensuring prompt attention to patient and provider needs. Amber's excellence as a Certified Clinical Medical Assistant at Kettering Health Network and Providence General Surgeons in Centerville makes her a vital addition to the team and a resource to the company's clients. Amber's passion for helping seniors maintain their independence and live well at home is very much in line with the Balanced Care Method™, Home Care Assistance's holistic approach to care and overall quality of life.

"I am excited to be joining the team at Home Care Assistance," said Amber Morrow, Employee Care Coordinator of Home Care Assistance of Dayton. "As Dayton's 2017 Best of Home Care – Provider of Choice and Employer of Choice, I look forward to helping the company expand by having a dedicated focus on our professional caregivers to ensure continued client and caregiver satisfaction. Our caregivers are professionally trained and provide exceptional care to our clients to ensure they remain safely and independently in their homes."

"We are thrilled to have Amber join our team," said Mark Febus, Owner of Home Care Assistance of Dayton. "Her extensive background, experience, and commitment to exceptional care will be a valuable asset to our clients and our company."

Home Care Assistance caregivers are bonded, insured, covered by Workers' Compensation and screened for criminal backgrounds to ensure that clients receive the best care from the most qualified caregivers.
