### **Home Care Assistance Announces Strategic Merger With Capability Homecare**

Bellevue, WA (3/27/17) - Today, Home Care Assistance, North America's leading provider of in-home care, announced a strategic merger with Capability Homecare, creating Bellevue's largest and most reliable offering for in-home senior care. With over 15 years of combined experience in Bellevue and the broader Puget Sound Area, this merger will ensure seniors living in the Pacific Northwest receive the highest-quality and most advanced care.

The combined entities will serve the community with over 200 caregivers and 15 care management and supervisory professionals, making Home Care Assistance the largest senior care provider in the Pacific Northwest. The care management team brings over fifty years of home care experience. For clients, the deeper team will ensure that older adults have maximum flexibility in choosing the schedules that align best with their needs, as well as the best match of skill and personality from their caregiver.

For caregivers, the combined entity will be better equipped to provide full-time, skill appropriate schedules that fit their employees lives. Home Care Assistance also offers health insurance, retirement, disability and life insurance benefits, in line with their position as employer of choice for the caregiving community.

Home Care Assistance's mission is to "change the way the world ages," and both employees and caregivers are committed to fulfilling this mission for all seniors. Through partnerships with the leading hospitals, home health care providers, senior care professionals and senior communities in the area, the combined entities will serve the community with the highest-level of care from two locations in Bellevue and a third location in Seattle.
